# English Language Teachers' Association of India (ELTAI)

The English Language Teachers' Association of India was registered on August 7, 1974 by the late Padmashri S. Natarajan, a noted educationist of our country.

## Objectives of the Association

- To provide a forum for teachers of English to meet periodically and discuss problems relating to the teaching of English in India.
- To help teachers interact with educational administrators on matters relating to the teaching of English.
- To disseminate information in the ELT field among teachers of English.
- To undertake innovative projects aimed at the improvement of learners' proficiency in English.
- To promote professional solidarity among teachers of English at primary, secondary and university levels.
- To promote professional excellence among its members in all possible ways.

The Journal is sent free to all the registered and active members of the Association. In addition to this print journal, ELTAI brings out three quarterly online journals: Journal of Teaching and Research in English Literature, The Journal of Technology for ELT, and The ELT Practitioner.

ELTAI also conducts professional development activities including offline and online workshops, webinars, and discussion meetings on current needs and trends in ELT. We host annual, national and international conferences and regional programmes on specific areas relevant to ELT today. Delegates from all over the country as well as from outside participate in them, present papers and conduct workshops.
