

II Prize

Potter's Art

A Mixture of Nature
With Sand and Water
Got your shape from Potter
Giving shape to the colourless water
Cool even in the summer
Quenching the thirst of all creature
You are the child of Nature
In the form of pure natural stature
The pail of an old farmer
You are the natural water cooler
Shower to the dehydrated heart
You are the poor people's Art
The world craves for greenery
An Eco-friendly earning is in Pottery.
