

Better Half

K. Indirapriya

All my work are at bay,
Tried manifold of all races and tastes,
Could not find a right partner.
Ah! One fine morning,
YOU came with a smile.
Contour, complexion and glow
Sans bumps or lumps,
Exalted me in ecstasy.
Pain of the knuckles went away,
Gain of the day spent in gay.
My duty, to dart,
YOU- going to be my part,
Oh! My TURQUOISE BLUE PEN! A wonder gift from a friend.
