

Angel

Noorul Sabiha Beevi

Angel.... a precious treasure at heaven...
Has wings to spread nourishments...
She is not only a white beauty – But also
She proceeds with her respective Duty...
Her pure form of smile showers
like a blissful and blissful Rain...
She is not only white outer
But also at heart...
Her praise is limitless...
Her beauty is flawless...
She is a little friend from God
She empowers us when we are sad...
Oh!!! gorgeous angel...!!!
Preserve your Beauty...
Proceed with your Duty...
Stay same like this forever...
Without you I am never...

Noorul Sabiha Beevi is a second year student of B.Sc. Microbiology at Thassim Beevi Abdul Kader College for Women, Kilakarai, Ramanathapuram District, Tamilnadu.
