

## **PEACE POETRY OF LIFE**

**Dr. S.A. Khader**

Peace  
The poetry of life  
Rhymes  
With happiness.  
At varied times  
To the wearied minds  
The shortest lines  
Bring the calm tides.  
Love and be loved  
Is its message  
Hatred not allowed  
In its language.  
No metre to measure  
Its gift to humanity  
That grants pleasure  
To the vast fraternity.  
Let peaceful poetry  
Keep its impact  
With eternal amity Forever intact.
