

Adam's Psalm

Dr. A. Tamilselvi

[This is Adam's psalm of panting, pouring and praising of the power of women.]

O Woman! Loving Woman!
She guards me at my loneliness
She comforts me at my disaster
She consoles me at my loss
She condemns me at my odd behavior
She governs me at all circumstances
Since she is my Living God – MOTHER.
O Woman! Lovable Woman!
Lord creates thee to accompany man
Nature shapes thee to temper man
Love conquers thee to yield to love
(Love lies where affection and glamour meets)
World makes thee to serve man
Life portrays thee to create history
You are my sun but the rays do not scorch me
Since you are my heart beat – WIFE.
O Woman! Lovely Woman!
Roses blossom in my garden
Stars twinkle in my sky
Happiness springs in my home
Glory reigns in my victory
Crown decorates me as a Man
Since you are my pride - DAUGHTER.
ALL for ONE! ONE for ALL!
Loving WOMAN
Lovable WOMAN
Lovely WOMAN
Myself and my life
Grab YOU
Hold YOU
Stay with YOU
FOREVER.
